# About EDUQUEST

**Eduquest by Silver Fern** is a subsidiary of Silver Fern Education Consultants, committed to designing bespoke **academic** and **non-academic** short-term programs in collaboration with top global universities and institutions. With a strong focus on holistic student development, Eduquest curates transformative learning experiences, including **leadership bootcamps, STEM challenges, educational tours, and industry-driven workshops**. By bridging the gap between students and world-class educational opportunities, Eduquest empowers young minds with global exposure, critical skills, and real-world insights to help them thrive in an ever-evolving landscape.

*Transforming Short-Term Learning into  
Long-Term Success—One Program at a Time.*

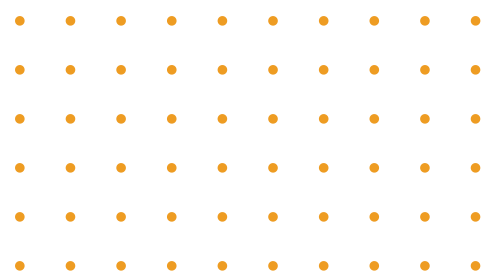

# About MELBOURNE & SYDNEY

- Melbourne is a true student city with a buzzing arts scene, cultural diversity, and world-famous coffee culture.
- Melbourne is also a top destination for STEM and research, with strong industry collaborations and cutting-edge facilities.
- Sydney is a global business hub, providing students access to leading companies and start-up ecosystems.
- Sydney is ranked among the top student cities globally, with a high quality of life and endless outdoor activities.

# *Experience life at* **TOP AUSTRALIAN UNIVERSITIES**

**MACQUARIE UNIVERSITY,  
SYDNEY**

**UNIVERSITY OF MELBOURNE**

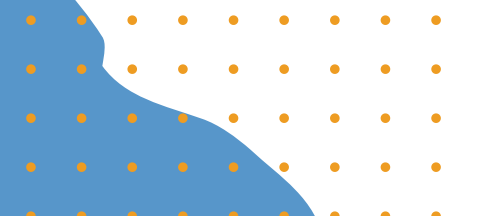

**Immersive Academic & Industry Exposure** – Engage with top Australian university faculty, participate in interactive sessions with international students, and gain insights into global education and career pathways.

**Hands-On Experiential Learning** – Explore innovation hubs, visit leading industries, and experience real-world applications of STEM, business, and entrepreneurship through guided workshops and campus immersions.

**Cultural & Professional Networking** – Interact with university alumni, industry experts, and local professionals, providing students with a well-rounded perspective on academic life, career opportunities, and cultural integration in Australia.

Aussie Birthday Games!                                                                                                                                                                                                                    | Free & Easy                                                                                                                                                                                                 | Free & Easy                                                                                                                                                                                                                                                                          |                      |

# Programme OUTCOMES

## **Expert Faculty Engagement**

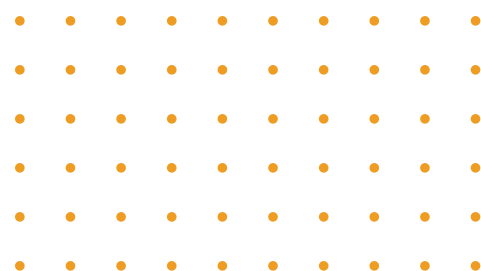

The program offers students the opportunity to interact with faculty members from Macquarie University (Sydney) and the University of Melbourne. These sessions provide insights into global teaching methodologies, research opportunities, and academic pathways. Students will engage in discussions with professors and industry experts on business, leadership, and entrepreneurship.

## **Experiential Learning**

- Campus Immersion: Students will experience life at top Australian universities, living in campus accommodations and using world-class facilities.
- Industry Visits: Exposure to Sydney's startup ecosystem and Melbourne's innovation hubs, offering real-world learning experiences.
- STEM & Research Focus: Melbourne's reputation as a research and technology hub provides students with hands-on learning through workshops and guided academic sessions.

## **Interactive Sessions with International Students**

The itinerary includes interactive discussions with university students, offering insights into student life, academic expectations, and cultural integration. This fosters cross-cultural learning and expands students' global perspectives.

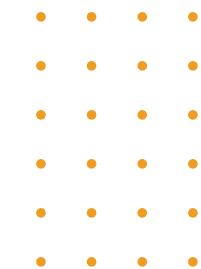

# ACCOMMODATION

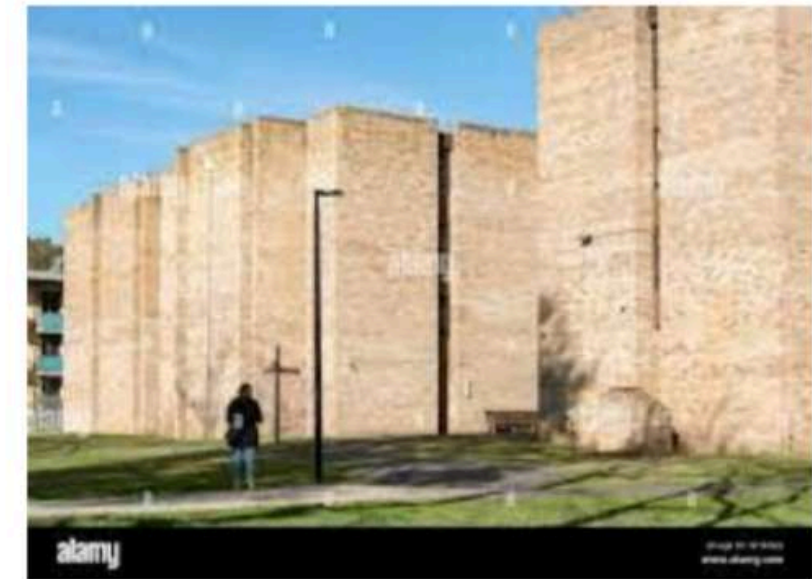

- Classrooms:
  - SYDNEY: Macquarie University
  - MELBOURNE: University of Melbourne
- Accommodation:
  - SYDNEY: Robert Menzies College or Dunmore Lang College in Macquarie University
  - MELBOURNE: University College or Queen's College in the University of Melbourne

# Sydney HIGHLIGHTS

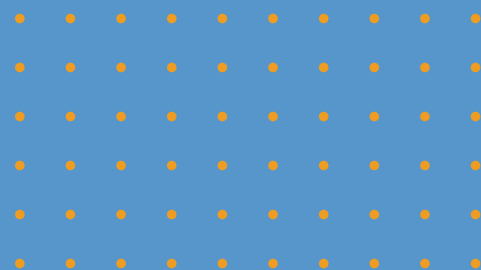

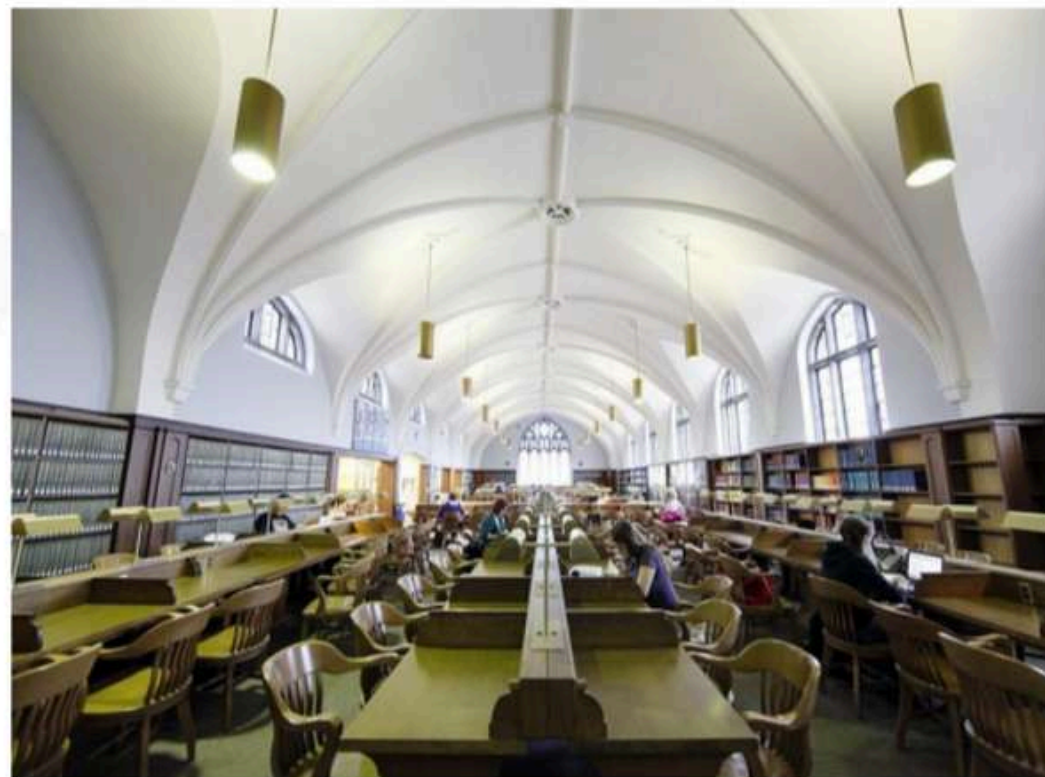

Studying at Macquarie University offers a vibrant academic experience set against the backdrop of Sydney, Australia. With world-class faculty, cutting-edge research opportunities, and a diverse campus community, students at Macquarie University engage in a dynamic learning environment that prepares them for success in a globalized world.

# Melbourne HIGHLIGHTS

The University of Melbourne, located in Australia, is a prestigious institution renowned for its academic excellence, innovative research, and vibrant campus life. With a history dating back to 1853, the university consistently ranks among the top globally and offers a diverse range of programs across various disciplines.
