# EDUQUEST : CREATING PATHWAYS FOR GLOBAL SUCCESS

For over 17 years, Silver Fern Education Consultants has been guiding students toward brighter futures by helping them discover the right career paths and global opportunities. With a legacy of trust, expert mentors, and thousands of success stories, Silver Fern continues to inspire confidence in every student's journey abroad while focusing on preparing them to become global leaders.

EduQuest is its experiential learning arm, curating immersive short-term programs in collaboration with top global universities and institutions. With a strong focus on holistic student development, Eduquest curates transformative learning experiences, including leadership bootcamps, STEM challenges, educational tours, and industry-driven workshops. By bridging the gap between students and world-class educational opportunities, Eduquest empowers young minds with global exposure, critical skills, and real-world insights to help them thrive in an ever-evolving landscape.

Outbound programs take students to international campuses, offering authentic university or school experiences through project-based learning and mentorship while inbound programs bring global faculty and experts into Indian classrooms, fostering cross-cultural exchange and exposure to global teaching methodologies.

**JUNE 2026**

### Duration

**6/ 7 NIGHTS**

### Accommodation

#### LA TROBE UNIVERSITY, MELBOURNE

Students will stay at **La Trobe University, Melbourne**, a prestigious institution **ranked among the top 1% worldwide**, renowned for its research excellence, sustainability leadership, & strong graduate outcomes. With a vibrant campus community, La Trobe offers an inspiring environment to learn & grow. Accommodation in modern residences at the Bundoora campus provides safe, comfortable living, while on-campus dining & cafés offer diverse cuisines. The stay ensures a true taste of Australian university life, fostering independence and global exposure.

### Certified Program

#### SUSTAINABLE FUTURE

Sustainability has become one of the most important areas of study because it sits at the centre of every major global challenge. Climate shifts, shrinking resources & growing populations all demand smarter ways of living and producing. What this really means is that students can't treat sustainability as a side topic anymore. Whether they pursue science, business, technology or policy, they'll need a solid grasp of how to protect resources, reduce impact and design systems that last.

### Academic Development and Experiential Learning

Students will explore Melbourne, a city celebrated for its cultural diversity, creative energy, and vibrant student life. In the midst of this dynamic environment, La Trobe University provides classroom learning that nurtures curiosity and growth. This academic experience, enriched by Melbourne's laneways, markets, museums, & arts scene, creates a transformative blend of study and exploration that fosters independence, global awareness, and lasting memories.

## Activities

Apart from the academic course, students will experience the vibrant city of Melbourne, exploring iconic landmarks from the **Queen Victoria Market, NGV, and Federation Square to its famous laneways**. They will take part in a city challenge, visit the **heritage-listed Carlton Gardens and Melbourne Museum**, and enjoy shopping at **Melbourne Central and Bourke Street Mall**. This blend of culture, history, and modern city life ensures a truly immersive experience.

## Cultural & Campus Immersion

In this program, students immerse themselves in interactive workshops and peer networking that open doors to Australian campus life, academic expectations, and student culture. Set against Melbourne's reputation as a vibrant hub of arts, innovation, & multicultural diversity, these exchanges foster global awareness, collaboration, and intercultural competence. Students return with enriched perspectives, sharpened communication skills, and meaningful international connections that strengthen both their academic growth and future professional opportunities.
