EDUQUEST: CREATING PATHWAYS FOR GLOBAL SUCCESS

For over 17 years, Silver Fern Education Consultants has been guiding students toward brighter futures by helping them discover the right career paths and global opportunities. With a legacy of trust, expert mentors, and thousands of success stories, Silver Fern continues to inspire confidence in every student's journey abroad while focusing on preparing them to become global leaders.

EduQuest is its experiential learning arm, curating immersive short-term programs in collaboration with top global universities and institutions.With a strong focus on holistic student development, Eduquest curates transformative learning experiences, including leadership bootcamps, STEM challenges, educational tours, and industry-driven workshops. By bridging the gap between students and world-class educational opportunities, Eduquest empowers young minds with global exposure, critical skills, and real-world insights to help them thrive in an ever-evolving landscape.

Outbound programs take students to international campuses, offering authentic university or school experiences through project-based learning and mentorship while inbound programs bring global faculty and experts into Indian classrooms, fostering cross-cultural exchange and exposure to global teaching methodologies.
