EDUQUEST: CREATING PATHWAYS FOR GLOBAL SUCCESS

For over 17 years, Silver Fern Education Consultants has been guiding students toward brighter futures by helping them discover the right career paths and global opportunities. With a legacy of trust, expert mentors, and thousands of success stories, Silver Fern continues to inspire confidence in every student's journey abroad while focusing on preparing them to become global leaders.

EduQuest is its experiential learning arm, curating immersive short-term programs in collaboration with top global universities and institutions.With a strong focus on holistic student development, Eduquest curates transformative learning experiences, including leadership bootcamps, STEM challenges, educational tours, and industry-driven workshops. By bridging the gap between students and world-class educational opportunities, Eduquest empowers young minds with global exposure, critical skills, and real-world insights to help them thrive in an ever-evolving landscape.

Outbound programs take students to international campuses, offering authentic university or school experiences through project-based learning and mentorship while inbound programs bring global faculty and experts into Indian classrooms, fostering cross-cultural exchange and exposure to global teaching methodologies.

PROGRAM SNAPSHOTS

Departure Dates

6 to 13 JANUARY 2027

Duration

7 NIGHTS / 8 DAYS

Academic Development and Experiential Learning

This program combines expert-led academic learning with real-world experiential exposure. Students participate in Business & Entrepreneurship lessons, gaining insights into business, entrepreneurship, marketing, and social enterprise.

Through university campus visits, guest lectures, industry and cultural experiences, interactive city challenges, and collaborative projects, students develop communication, problem-solving, leadership, and entrepreneurial skills while experiencing life on leading Australian university campuses.

Certified Program

Business & Entrepreneurship:
Learn what it takes to **transform an idea into a successful business** by understanding customer needs, developing customer profiles, building business models, creating compelling value propositions, and pitching a venture. Students explore **marketing and entrepreneurship through real-world applications**, including Business for Good case studies from India and Australia, and apply their learning through **Shark Tank-style presentations and hands-on capstone projects**.

Accommodation

Melbourne - University of Melbourne
Sydney - Macquarie University

Students will stay on residential university campuses, offering them an authentic university-style living experience throughout the program. All meals will be served at the campus dining halls, ensuring convenient and nutritious dining each day. Students will experience a balanced mix of academic learning, university visits, cultural exploration, industry exposure, and collaborative activities, while staying together as a cohort in a safe and supervised environment.

Activities

Apart from the academic course, experiential learning will continue through immersive city experiences across **Sydney and Melbourne**, including visits to the **University of Sydney, Taronga Zoo, Sydney Harbour Bridge and Opera House, Australia Museum, Hyde Park, St Mary's Cathedral, Darling Harbour and Barangaroo**. Students will also explore **Queen Victoria Market, Melbourne Museum, Carlton Gardens, Federation Square and Melbourne Central,** along with interactive city challenges, cultural experiences, shopping, and an **Australian Birthday celebration and games**, making the programme a blend of learning, exploration and fun.

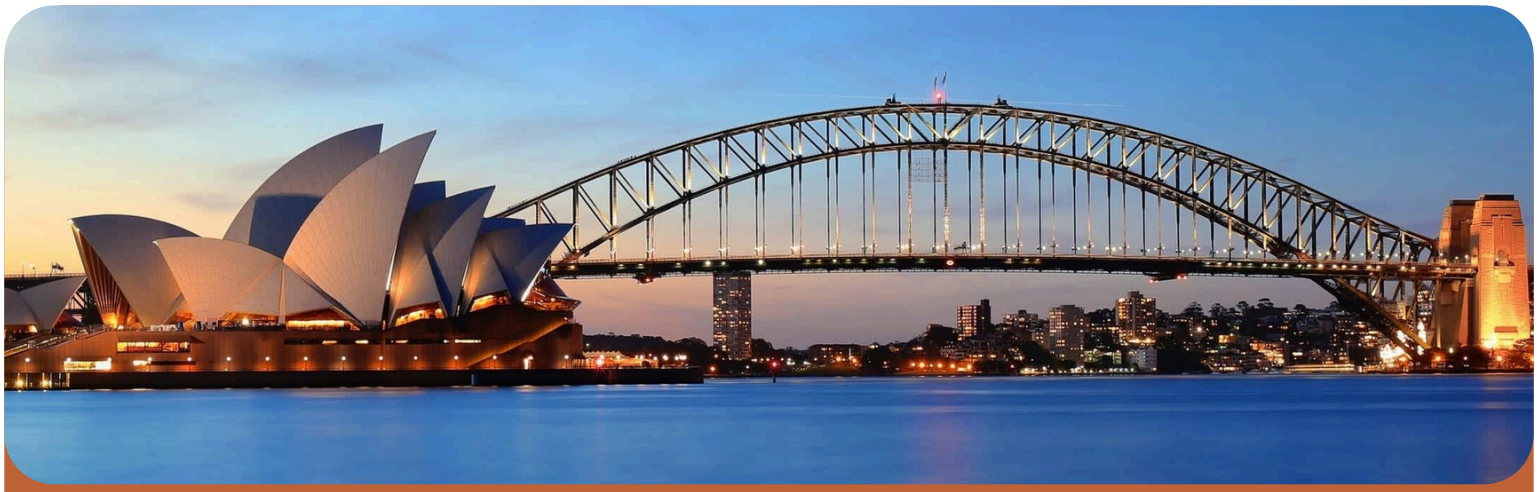

Cultural & Campus Immersion

In this program, students immerse themselves in interactive workshops and peer networking that open doors to Australian campus life, academic expectations, and student culture. Set against Sydney & Melbourne's reputation as a vibrant hub of arts, innovation, & multicultural diversity, these exchanges foster global awareness, collaboration, and intercultural competence. Students return with enriched perspectives, sharpened communication skills, and meaningful international connections that strengthen both their academic growth and future professional opportunities.
